The Honorable Daniel P. Moynihan, Vice Chairman
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Mr. Vice Chairman:

In a letter being sent to Chairman Barry M. Goldwater, we are transmitting for your information the Key Judgments of the Integrated Damage Assessment, which have been endorsed by the Intelligence Producers Council, together with the reports of Task Groups 3, 4, and 6. Those of the remaining three task groups contain particularly sensitive material that we will be pleased to make available to the Committee Members and Majority and Minority Staff Directors on an escorted basis. I wish to assure you that the briefing we will provide the Committee staff covers the entire six-volume study, including the 15-year compromise history.

25X1

Sincerely,

William J. Casey
